CREATE A WELCOMING SPACE

Ambience creation – turning any application into a warm and inviting environment for guests clients and home owners has become one of the key features that businesses look for in a connected lighting package. Now all this and more is available in one affordable turnkey solution – WiZ Pro.

Transform your own lighting into connected fixtures with WiZ Pro, drivers and bridge boxes or choose between a wide range of lamps to market under your own brand. Opt for reliable everyday connectivity that caters to the needs of all stakeholders with the WiZ platform.

Other important connected light features:

• Easy local and remote control of your lights

• Various light scenes to fit your application

BUILT FOR SMALL AND MEDIUM PROJECTS

20-200

EASY COMMISSIONING

Complicated wiring is now a thing of the past. Save time with the WiZ Pro Setup app (available H1 2022) for direct effortless and wireless commissioning, even when on-site Wi-Fi is not installed yet.

LOCAL WIRELESS CONTROL

Once you have the lights up and running, anyone can enjoy simple control via local accessories such as WiZ smart switches, remotes and sensors.
APP CONTROL

Once the lighting installation is connected to Wi-Fi, end users can control the lights from anywhere with the WiZ app. Customize your lighting to fit your application or choose between a variety of pre-designed light modes for a rich experience.

ADVANCED FACILITIES MANAGEMENT

WiZ Pro Dashboard goes even further by allowing (multiple) lighting installation(s) control and remote site management. Get actionable light insights and monitoring with a clear overview of the entire installation, once it's connected to Wi-Fi.

WIRELESS INSTALLATION AND LOCAL CONTROL

WiZ PRO SETUP APP

WiZ Pro is plug-and-play, so basic set up is easy with the WiZ Pro Setup app through wireless direct commissioning, no gateway or Wi-Fi needed. Follow the step-by-step instructions on screen: add your products, decide which rooms you want them to be in and perform tests to make sure they work before you hand it over. Wireless accessories ensure easy, local control for everyday connectivity.

ENJOY FULL CONTROL WITH CLOUD CONNECTIVITY

WiZ APP

Be a lighting designer, mix and match light modes or enjoy pre-defined Scenes to create the perfect ambience — to enhance the shopping experience or to entertain clients and friends when they come and visit. Discover the special human-centric lighting feature — Circadian Rhythm — which offers a smooth transition from cool white early in the cycle to warm white later on.

End users
WiZ PRO DASHBOARD

Get the full picture and visualize where your lights actually are on within a space once you upload the area's floor plan. Set and supervise the status of your lights and devices in any and all the locations you're managing. Each light's usage will be reported, including their remaining lifespan for predictive maintenance.
