

# SL-33006

Product Dimensions(mm)

**Product description:**

Lamp housing is made by die cast aluminum, surface treatment for electrostatic powder coating.  
 UV-stop PC lamp cover  
 Sealed lamp housing

## TECHNOLOGY DATA

Protection grade	Corrosion-proof capability	Working condition	Isolation class	Power voltage	Max power
IP65	II	-35°C ~ +45°C	class I	220V(±10%)/50Hz	10W
